

Letter of Authorization

Dear Customer,

Thank you for choosing Nucleus as your new home phone provider.

You are receiving this form because you have requested to have your current phone number ported over to Nucleus, for use with our home phone service. By signing and completing this LOA, you are granting us permission to transfer your number from your current local service provider to our service.

Our porting process will complete on the day of your scheduled install. During the time leading up to your install day your number will remain operational with your current provider. You will hear from our installation team shortly after signing up, at which time they will schedule the soonest install date we can accommodate for your service. Please do NOT cancel your existing telephone service until your telephone number has been ported to Nucleus.

If you haven't signed up for one of our home phone and internet bundles, we'd love to tell you about our great bundle rates if you would like to consolidate your services and save even more money.
